Sentinel provides a range of benefits to create and protect international wealth

Key Features

- A minimum investment of £50K (or currency equivalent)
- A wide range of global investment options to create bespoke portfolios
- Tax neutral environment for growth
- Accessibility using multiple benefit options
- Mitigates foreign probate and complexities of foreign death duties and or the need for foreign Will
- Safe guard against political uncertainty, changing domestic laws and claims against your estate
- A safe haven in which to build and protect international wealth giving peace of mind for the future

SENTINEL offers clients an environment in which to build wealth using an international solution that offers a high level of asset protection, significant flexibility and access. This means that you can choose when, where and how you want to take benefits with payments set at a level that meets your requirements, and at an age that suits you.

SENTINEL is an international preservation fund established and administered in Guernsey, a tax efficient and highly regarded jurisdiction. Preservation funds are designed to provide a protected environment in which you can accumulate wealth. Typically preservation funds are used for financial independence, retirement, education fees, unexpected medical costs, travel or a second home.

SENTINEL offers a wider range of potential benefits such as: investment and currency choice, mitigation of foreign probate, succession planning and asset protection. Importantly it can provide peace of mind in respect of domestic, political and economic challenges.
