## 7. FORM OF REQUEST (SECTION 51 (1) (E))

A request for access to a record that does not fall within the categories identified in Section 5 of this manual must be done formally either via conventional mail or e-mail.

This request should be in the prescribed format as defined in Form C of Annexure B as identified in Government Notice Number 187, Regulation 6. A request form is also available from our offices. The prescribed request fee should be attached (refer to section 9 of this manual for more details on the fees).

Our Compliance Officer will respond to your request within 30 days of receiving the request by indicating whether your request for access has been granted.

Please note that an application for access to information can be refused in the event that the application does not comply with the procedural requirements of the Act. In addition, the successful completion and submission of an access request form does not automatically allow the requestor access to the requested record.

The request form must be completed CLEARLY and COMPLETELY in block letters. If there is insufficient space on the printed request form in which to answer a question, additional information must be provided on a separate page that is clearly marked and referenced.

**If access to a record/information is granted our response will include:**

- An indication of the access fee that should be paid upon gaining access (if any);
- An indication of the form in which the access will be granted;
- A notice that you may lodge an application with the court against the access fee to be paid or the form of the access, including guidance on the procedure for lodging the application.

**If access to a record/information is denied our response will include:**

- Adequate reason for the refusal; and
- Notice that you may lodge an application with the court against the extension and the procedure, including the period for lodging the application. For details on the procedure, please refer to Chapter 2 of Part 4 of the Promotion of Access to Information Act.

Assuming your request for access is granted, you will be able to gain access to the requested records as soon as it is reasonably possible and once the access fee has been paid.

**Access will be granted to a record if the following criteria are fulfilled:**

- The record is required for the exercise or protection of any right;
- The requestor complies with the procedural requirements of the Act relating to a request; and,
- Access to the records is not refused in terms of any ground for refusal as contemplated in Chapter 4 of Part 3 of the Act.

If you request access to a record that contains information about a third party, we are obliged to attempt to contact this third party to inform them of the request and to give them an opportunity to respond by either consenting to the access or by providing reasons why the access should be denied. In the event that the third party furnishes reasons for the support or denial of access, our designated Information Officer will consider these reasons in determining whether access should be granted. You may appeal against a refusal of access by our Information Officer. Please refer to Part 4 of the Promotion of Access to Information Act for further details on the Appeal Process.

---

## 8. DENIAL OF ACCESS

Access may be refused under limited circumstances including:

- Protecting personal information that we hold about a third person from unreasonable disclosure;
- Protecting commercial information that we hold about a third party (for example trade secrets or financial, commercial, scientific or technical information that may harm the commercial or financial interests of a third party);
- If disclosure would result in a breach of a duty of confidence owed to a third party;
- If disclosure would jeopardize the safety or life of an individual;
- If disclosure would prejudice or impair the security of property or means of transport;
- If disclosure would prejudice or impair the protection of a person in accordance with a witness protection scheme;
- If disclosure would prejudice or impair the protection of the safety of the public;
- The record is privileged from production in legal proceedings unless the privilege has been waived;
- Disclosure of the record will put OTAP at a disadvantage in contractual or other negotiations or prejudice it in commercial competition;
- Disclosure of the record (containing trade secrets, financial, commercial, scientific, or technical information) would harm the commercial or financial interests of OTAP; and
- Records containing information about research being carried out or about to be carried out on behalf of a third party or OTAP.

## 9. PRESCRIBED FEES

There are two basic types of fees applicable in terms of the Promotion of Access to Information Act – “request” and “access” fees. The non-refundable request fee (currently R 57.00 inclusive of VAT) is payable on submission of the request for access to a record (unless the request is personal in which event there is no applicable fee) and the access fee is payable prior to the actual gaining of access to the records in the required form. The applicable fees are prescribed in terms of Part III of Annexure A as identified in Government Notice Number 187, Regulation 11.

9.1 A requestor is required to pay the prescribed fees (R57.00) before a request will be processed;

9.2 If the preparation of the record requested requires more than the prescribed hours (six), a deposit shall be paid (of not more than one third of the access fee, which would be payable if the request were granted);

9.3 A requestor may lodge an application with a court against the tender/payment of the request fee and/or deposit;

9.4 Records may be withheld until the fees have been paid.

9.5 The fee structure is available on the website of the Information Regulator of South Africa at [www.inforegulator.org.za](http://www.inforegulator.org.za).
